The Institute:

The Entrepreneurship Development Institute of India (EDII), Ahmedabad was set up in 1983 as an autonomous and not-for-profit Institute with support of apex financial institutions - the IDBI Bank Ltd., IFCI Ltd., ICICI Bank Ltd. and State Bank of India (SBI). The Government of Gujarat pledged twenty-three acres of land on which stands the majestic and sprawling EDII Campus. EDII began by conceptualising Entrepreneurship Development Programmes (EDPs), and subsequently launched a fine-tuned and a tested training model for New Enterprise Creation, popularly known today as EDII-EDP model. EDII moved on to adopt the role of a National Resource Institute in the field, and today, together with three other exclusive national institutions, it is successfully backing about 12 state level entrepreneurship organizations by human resource development and by sharing research findings, new teaching techniques & learning material. Today this effort has also been broad-based internationally with Entrepreneurship Development Centres in Cambodia, Laos, Myanmar, Vietnam and Uzbekistan, in addition to efforts in the process, in select African countries and Uzbekistan.

So while the Institute evolved the first ever Entrepreneurship Development Programme (EDP), it also launched the first-of-its-kind structured educational post-graduate programmes in entrepreneurship to train students in New Enterprise Creation, Family Business Management and Social Entrepreneurship. To enhance the impact of EDPs, the Institute, over the years, introduced the several development models. While the informal sector was majorly brought into the ambit of activities, rural and urban poverty alleviation also became a priority with the models getting widely replicated. Today EDII designed integrated programme for start-ups (Village Entrepreneurship) is being replicated nationally. EDII conducts a variety of programmes and projects under the Departments of Entrepreneurship Education; Policy Advocacy, Knowledge and Research; Projects; Business Development Services & National Outreach and Developing Economy Engagement.
