The Ahmedabad-based Institute also informed it has set up the Rwanda-India Entrepreneurship Development Centre in Kigali, Rwanda, which was inaugurated on November 15 under an arrangement between the governments of the two countries. Announcing the developments, EDII Director General Sunil Shukla said the Centre in Rwanda should serve as a gateway for promotion of entrepreneurship in entire Africa in the coming years.

As a Centre of Excellence, EDII will provide inputs for framing of policy guidelines by the government towards promotion of entrepreneurship and skill development, Shukla informed.

According to the guidelines for recognition of CoE issued by the Ministry of Skill Development and Entrepreneurship, a Centre of Excellence is a body that provides leadership, best practices, research and development support, training of trainers and skill training for specific sectors with specific focus on emerging technologies.

Institute of India (EDII), under an agreement with the Ministry of External Affairs, Government of India. This is the sixth international ED centre set up by EDII. Before this, the Institute has also set up Centres in Cambodia, Lao PDR, Myanmar, Vietnam and Uzbekistan.
