Step-wise guidance for filling the nomination is as under:

1. Please open the ITEC website https://itecgoi.in/index
2. There go and click ‘Apply for ITEC’. There click "APPLY NOW'.
3. From the list of streams available, select ‘SMEs & Entrepreneurship’ as EDII programmes fall under this category.
4. Then select 'Entrepreneurship Development Institute of India', Gandhinagar.

You can also reach this stage directly through https://bit.ly/45ocy8U

5. Select the course from the list of available courses – for instance, ‘CLUSTER DEVELOPMENT EXECUTIVES PROGRAMME. Click on ‘Apply’.
6. Select your country under ‘Nationality’ (Please do not click on 'Secretariat' as it has an altogether different routing). Click on ‘Proceed’.
7. Start filling up the form.
8. Password policy: The password policy is that in the text box enter the password with a minimum length of 8 letters containing at least 1 special character, 1 numeric, 1 alphabet in upper case. Please remember the password for future use and do not share with anyone.

One has to fill-up all the boxes without missing any of them.

How to submit the Application Form:

Participants have to submit their applications directly to the Indian High Commission/Indian Embassy in their country and not to us as we do not play any role in the selection process. For this purpose, after filling up the nomination form, please get it endorsed by the Nodal Ministry in your country (as advised by the Indian Mission) and thereafter, submit it to the Indian Mission.
Nodal Ministry will forward the applications to the Embassy/High Commission of India in the respective country. The participant, with the advice of the Nodal Ministry, may also submit the endorsed nomination form along with copies of relevant documents (educational testimonials, English Proficiency Declaration duly signed by you and Medical Report duly endorsed by a Registered Physician) to the Indian Mission or send the scanned version of the duly endorsed nomination along with scanned copies of relevant documents to the Indian Mission on their e-mail id, which can be obtained from the website of the Indian Mission in your country.

An Applicant is not to attach any documents while filling in on-line application except to enter the required information asked for. However, they are required to attach the same with the hard copy of their applications which is required to be submitted to their Nodal Ministry duly signed by them.

Nodal Ministry is different from Embassy of India. In each country, a specific Ministry has been identified as a nodal ministry to endorse the ITEC nomination form. It could be Ministry of Industry & Commerce or Ministry of Education & Cultural Affairs so on and so forth. Participants will have to check up this aspect with the Indian Mission in their country.

The target group eligible for admission is from the age of 25 to 45 years. PLEASE NOTE THAT A PERSON WHO HAS ALREADY ATTENDED ONE ITEC COURSE WITH FELLOWSHIP SUPPORT WILL NOT BE ELIGIBLE TO APPLY AGAIN.
