Create entrepreneurial minds

In a series of entrepreneurial workshops, EDII is offering young minds a chance to learn from the best. First up are the 38th and 39th Summer Camps on 'Entrepreneurial Stimulation for Children', scheduled in the first week of May on campus. Participants

"develop a spirit of enterprise and achievement to target higher-order successes". Parents of participants will be given a comprehensive report, emphasising on personality traits of the child(ren) and what lies ahead in the future for them.
