*Leading Entrepreneurship Development Institute of India in the field of Entrepreneurship Education in the country (**EDII**) It hosted the 21st graduation ceremony on its large campus on Friday. A total of 147 students were awarded diplomas and fellows, including 139 postgraduate diplomas and 8 fellows in management. On this occasion, Governor of Uttar Pradesh and former Chief Minister of Gujarat Anandiben Patel (**Anandiben Patel**) Was present as the chief guest and he addressed the graduation ceremony. The Governor also awarded Scholastic Medals to the graduating students. The program was chaired by Rakesh Sharma, President, EDII and MD and CEO, IDBI Bank Ltd.*

On this occasion, the Director General of EDII, Dr. Sunil Shukla welcomed the Governor of Uttar Pradesh and highlighted some of the activities

undertaken by EDII to strengthen entrepreneurship among various target groups, including university students in Gujarat and Uttar Pradesh.

Entrepreneurship needs to be encouraged as a natural career option – Anandiben Patel

Speaking at the graduation ceremony, Anandiben Patel said, "I am pleased that as a society we have made concerted efforts to equate entrepreneurship with other career options. Entrepreneurship needs to be encouraged as a natural career option and should be a part of education where students acquire the qualities and values of success from an early age, thereby motivating them to choose entrepreneurship as a natural career option. "

Highlighting the institute's state-of-the-art program, the Governor further said, "EDII's curriculum and teaching methods are contemporary and are reflected in the success of 78 per cent of its alumni in business." Some entrepreneurs trained in EDII have received awards on prestigious platforms. "

The Director General of EDII, Dr. Sunil Shukla thanked the Governor and other dignitaries and advised the new entrepreneurs to come up with a comprehensive contingency plan to develop an understanding of crisis management and adopt new technologies.

It is worth mentioning that EDII's Center of Excellence, accredited by the Ministry of Skill Development and Entrepreneurship, has trained 80,000 to 100,000 entrepreneurs annually across the country, as well as the India Chapter of Global Entrepreneurship Monitor, the world's largest study in entrepreneurship.
