## Specialised Trainers' Training Programme under CEDA

**Sunvilla News: Ahmedabad**

The Entrepreneurship Development Institute of India (EDII) in association with Department of Social Justice & Empowerment, Directorate of Social Defence, Gujarat State Handicapped (Divyang) Finance & Development Corporation, Govt. of Gujarat has set-up the 'Centre for Empowerment of Differently Abled' (CEDA) at the Institute. The centre has been set up to promote entrepreneurship, employability and livelihood activities among the differently abled. The project is aimed at unleashing the entrepreneurial potential of the differently abled through capacity building and training to ensure enterprise

creation, employability and sustainable livelihood options. On this line, a 5-day Residential specialized Trainers' Training Programme under CEDA was organized from 27th June to 1st July, 2022 at EDII campus. 31 participants from various development organizations working across Gujarat namely, Ahmedabad, Kheda,

Surendranagar, Dahod, Botad, Anand, Mehsana, Vadodara, Bhavnagar, Porbandar and Kutch participated in the programme. The purpose of this programme is to create cadre of trainers for conducting training in the field of entrepreneurship and skill development for divyangjan of Gujarat. In this programme, various topics.
