SUSTAINABILITY HACKATHON, BOOT CAMP

Bhubaneswar: The Entrepreneurship Development Institute of India (EDII) launched a nationwide Hackathon with a vision of aligning student focus to sustainable development in line with the 'Sustainability Development Agenda' of G20

meet under India's presidency. The initiative targeted to get 10,000 qualified entries and on-ground expert sessions (Boot Camp) in key cities. The WTC Bhubaneswar has long been involved as an MoU partner with the EDII to promote entrepreneurship in Odisha.
