Post Graduate Program in Financial Entrepreneurship with US CPA

Powered by Becker Professional Education
"THERE IS NO ELEVATOR TO SUCCESS. YOU HAVE TO TAKE THE STAIRS."
ABOUT THE PROGRAMME

The 11 Months Post Graduate Program in Financial Entrepreneurship with US CPA is a niche program equipping the participants with an integrated approach to Finance and Entrepreneurship at large and various related skills. In recent years, the Finance landscape has been defined by disruptive technology transforming the business operations and outcomes.

The sector is now defined by innovation drivers, entrepreneurial acumen, and cutting-edge knowledge and skills. The programme on Financial Entrepreneurship will provide an expert guidance and insight into the shifting nature of the financial sector and a holistic understanding of the entrepreneurial skills, technologies and innovations set to shape the future of finance and business. It will help the participants to make informed operational judgements and decisions to maximise the financial success for their organizations and also take up their entrepreneurial endeavors.

The programme also provides an opportunity to attain Certified Public Accountancy Qualification from USA – one of the most sought after qualifications in the field of Finance. The Program is delivered in blended mode with Three weeks of on campus modules at EDII Ahmedabad. The program is best suited for young and experienced business owners and for existing/prospective entrepreneurs who are looking forward for their startups. You will get excellent opportunities to learn from the experienced EDII/Becker faculty as well as industry experts and can also interact with a very diverse group of participants physically as well as over an interactive online platform which monitors their learning as well as performance progression during the course.

ABOUT EDII

The Entrepreneurship Institute of India (EDII), Ahmedabad was set up in 1983 as an autonomous and not-for-profit Institute with support of apex financial institutions - the IDBI Bank Ltd., IFCI Ltd., ICICI Bank Ltd. and State Bank of India (SBI). The Government of Gujarat pledged twenty-three acres of land on which stands the majestic and sprawling EDII Campus. EDII began by conceptualising Entrepreneurship’s Programmes (EDPs), and subsequently launched a fine tuned and a tested training model for New Enterprise Creation, popularly known today as EDII-EDP model. EDII moved on to adopt the role of a National Resource Institute in the field, and today, together with three other exclusive National Institutions, it is successfully backing about 12 State Level Entrepreneurship Organization by Human Resource Development and by sharing research findings, new teaching techniques & learning material. Today this effort has also been broad-based internationally with Entrepreneurship Development Centres in Cambodia, Laos, Myanmar, Vietnam and Uzbekistan. In addition to efforts in the process, in select African Countries and Uzbekistan.

EDII has been at a forefront of entrepreneurial education and Institute is offering a large number of short, medium- and long-term programmes, including All India Council for Technology Education (AICTE) approved postgraduate professional programmes. Presently, EDII offers three AICTE approved full time academic programmes, namely Fellow Programme in Management (FPM), Post-Graduate Diploma in Management Entrepreneurship (PGDM-E) and PGDM-Innovation, Entrepreneurship and Venture Development (PGDM-IEV). EDII has promoted a Technology Business Incubator, named, ‘Centre for Advancing & Launching Enterprises (CrAdLE) catalyzed and supported by National Science and Technology Entrepreneurship Development Board, DST, Govt. of India. So far, EDII has trained 177 incubator managers from 64 developing countries.

Acknowledging the Institute’s contribution towards creating and sharpening entrepreneurial culture, the Government of Gujarat has appointed EDII as the Nodal Agency for start-ups under the Start-ups and Innovation Scheme. EDII is ranked Number 1 by Atal Ranking of Institutions on Innovation Achievements (ARIIA) – 2021 in General (Non-Technical) Category and it is the only institute from Gujarat to be ranked as Number 1 across all seven categories. Moreover, EDII is recognized as Centre of Excellence by the Ministry of Skill Development & Entrepreneurship, Govt. of India.
