## Department of Empowerment of Persons with Disabilities (DePWD) & Entrepreneurship Development Institute of India (EDII) partner with Corporates to empower 3000 Persons with Disabilities (PwDs) to secure promising livelihood opportunities

Mumbai : The Entrepreneurship Development Institute of India (EDII), in collaboration with the Department of Empowerment of Persons with Disabilities (DePWD), Ministry of Social Justice & Empowerment, Government of India, organized a Roundtable Meet for Corporates to 'Support, Activate and Build Assured Livelihoods (SABAL) for Persons with Disabilities (PwDs) under CSR Actions'. Dr. Vineet Rana, General Manager, National Handicapped Finance Development Corporation, DePWD, Government of India; Shri Jagannath Sahoo, President, SBI Foundation; Shri Rajendra Nimbalkar, IAS, Managing Director, Maharashtra Small Scale Industries Development Corporation Ltd., Mumbai; Shri Saumya Chaudhuri, CGM, IDBI Bank Ltd; Dr. Sunil Shukla, Director General, EDII; Dr. Raman Gujral, Director, Department of Projects (Corporate)

at EDII, as well as senior officials from DePWD and CSR leaders from leading corporate entities attended this groundbreaking meet.

The 'Meet' took up the agenda of sensitizing society at large and instituting interventions and measures that ensure the establishment of 3,000 new enterprises PwDs, including 1,500 technology-driven and 1,500 general enterprises. This pivotal roundtable meeting brainstormed on creating a better world for PwDs through an effective synergy between government, corporates, and institutions. The discussions revolved around the specific objectives of ensuring empowerment of PwDs through sustainable enterprise creation; creating a set of best practices in the context of infrastructure, perception, environment, security, and other facilities to promote their complete inclusion in

society; floating ways to ensure an integrative working environment; deciding on an inventory of business opportunities that PwDs could tap into to create own enterprises; aligning the project and its interventions with sustainable development goals and breaking the professional segregation in society that relegates disabled PwDs to lower-paying jobs. Based on the discussions and takeaways, the participating corporates identified some primary areas of cooperation. Some of the activities identified to achieve the goal of creating 3000 PwD-led enterprises included: Awareness Campaign to Ensure Community Integration of PwDs; Immersive Life Skills for Adolescents with Disabilities; Sourcing Business Opportunities for PwDs; Sensitization workshops for PwDs; Credit Linkage Support; Entrepreneur Growth-cum-Counselling Programme (EGCP)

to Support PwD-led Enterprises and Micro Skillpreneurship Development Programme (MSDP) to enable unemployed PwDs to set up their business. Dr. Vineet Rana emphasized the pivotal role of NHFDC in empowering Persons with Disabilities (PwDs), stating, "Through NHFDC, we aim to facilitate financial development, ensuring sustainable livelihoods for PwDs in collaboration with EDII and corporate partners." Shri Jagannath Sahoo highlighted the collaborative efforts of SBI Foundation with EDII, stating, "SBI Foundation, in partnership with EDII, is committed to creating promising livelihood opportunities for differently-abled individuals through our collaborative 'Support, Activate and Build Assured Livelihoods' programme." Shri Sahoo emphasized on the significance of equity and new possibilities for PwDs.
