DEVELOPING ENTREPRENEURSHIP WITHIN COOPERATIVES

12th February - 1st March, 2024
RATIONALE

Cooperative movement is not new to Rwanda. It is ingrained into its culture through Ubudehe, Umubyizi and Umuganda activities. Cooperatives have played a significant role in Collective investment schemes, as a big pillar of the private investment strategy in Rwanda.

The current policy was revised in 2018 to address the several issues including those pertaining to management of cooperatives:

1. Effective decision-making process within cooperatives
2. Enhanced awareness of existing policies, laws and internal rules and regulations and decisions made within the cooperative movement (Confederation, Federations, Unions), and achieving harmonious relationship between the leadership and the membership base;
3. Improve leadership, managerial, technical, IT and other soft skills required for effective management of cooperatives. For higher level of production capacity and growth of the cooperatives
4. Management of cooperative resources, better financial management capacity and accounting skills, and enhanced transparency
5. Becoming more market focused
6. Enhancing R&D and innovation
7. Digital Enablement
8. Building ESG elements towards SDG
9. Developing Intrapreneurship and micro-entrepreneurship

AIM & OBJECTIVE

The course would aim at enhancing the effectiveness of cooperatives in Rwanda through capacity building, knowledge transfer and experience learning. Specifically, it would:

a. Design capacity building programmes of Rwanda Cooperatives
b. Identify other opportunities for entrepreneurial ecosystem exchange between the India and Rwanda
c. Assist the selected cooperatives in reaping the benefits of the interventions
