#WATCH | Ahmedabad (Gujarat): On Vibrant Gujarat Global Summit 2024, South Korean ambassador, Chang Jae-bok says, "Gujarat is a very vibrant state. So, this Vibrant Gujarat Summit is much much-awaited event. Two years ago, it was scheduled to hold but unfortunately, it was cancelled because of the COVID pandemic. But this year, with the full strength of the participation from many foreign countries, will be a great success this time... There will be good cooperation between India and Korea in the sector of future technologies, like green hydrogen and some biotech industries. So we are looking forward to the events..."
