

EDII Commemorates ‘National Startup Day’

The Entrepreneurship Development Institute of India (EDII) organised an elaborate event to commemorate ‘National Startup Day’ on Tuesday. The event was inaugurated in the presence of Director, Commissionerate of Higher Education, Government of Gujarat, IAS PB Pandya; Founder-Growth 91, Jimish Kapadia; Co-Founder & Chief Scientific Officer, Lymphon Biologics, Nilesh Patel; and Director, Department of Education, EDII, Dr Satya Ranjan Acharya. It was a curtain raiser for EDII’s annual entrepreneurship festival— Empresario, which has ‘Tech Innovation for Sustainable Future’ as the theme for the year 2024. In addition to lectures, the day-long event also involved intra-college events, speaker sessions and competition. The event witnessed participation of over 250 students, start-ups and budding entrepreneurs. Around 25 participants pitched their business ideas to the investor panel.
