By leveraging their combined resources and expertise, the institutions can provide students with the necessary knowledge, skills, and support to navigate the exciting

world of entrepreneurship, fostering innovation and contributing to a vibrant regional economy.

AHMEDABAD, Gujarat, India (India CSR): The Entrepreneurship Development Institute of India (EDII) in Ahmedabad and Maharaja Sayajirao University of Baroda (MSU) in Vadodara, Gujarat, have signed a Memorandum of Understanding (MoU) to strengthen the entrepreneurial ecosystem within the region. This collaboration, formalized on March 16, 2024, leverages the expertise of both institutions to empower budding entrepreneurs.

Fostering a Culture of Innovation

The MoU paves the way for a series of joint initiatives designed to cultivate a strong entrepreneurial spirit and support the development of a thriving startup climate among students.

The partnership will focus on providing training, capacity building programs, mentorship opportunities, incubation support for innovative ideas, and handholding services to nurture the entrepreneurial drive among students.

By combining the strengths of EDII's established expertise in entrepreneurship development with MSU Baroda's vast academic resources, this collaboration aims to foster a vibrant culture of entrepreneurship within the region.
