VIDEO | At the Empresario 2025 annual startup summit in Ahmedabad, Uttarakhand Health Minister Dr. Dhan Singh Rawat (@drdhansinghuk) lauded EDII's efforts in fostering entrepreneurship. He highlighted that over 23,000 students in Uttarakhand have already received training through EDII programs, with a target to reach 50,000 by 2027. Notably, five stalls at the summit were set up by Uttarakhand entrepreneurs, showcasing the state's growing startup ecosystem. Dr. Rawat emphasised how EDII is transforming young minds—from job seekers to job creators, aligning with PM Modi's vision of a developed India by 2047. He expressed confidence that EDII would achieve its target even before 2027, accelerating the journey towards self-employment and innovation.
